MARGUERITA MCMANUS

crazy shortcake

One layer cake, one yard of fabric and **two days** to make up this gorgeous crib sized quilt ~ that's all it takes!

My most popular class!

Learn the quick-cut process; decorative stitch quilting and the joining techniques on this super easy project and you're off to the races! Many quilters go on to make several of these a year - they are just that easy!

2 Day class

BRING YOUR OWN BLOCKS

Chose from a straight setting, a "built-in borders" setting, a wonky setting or an on-point setting to add to your blocks, to prepare them for quilt-as-you-go.

Straight and curved line machine quilting is covered and you'll learn the full quilt-as-you-go joining process to bring it all together.

I'll teach you a quick machine binding and my "pretty corners" and you'll be ready to finish your next UFO.

3 Day Class/Retreat

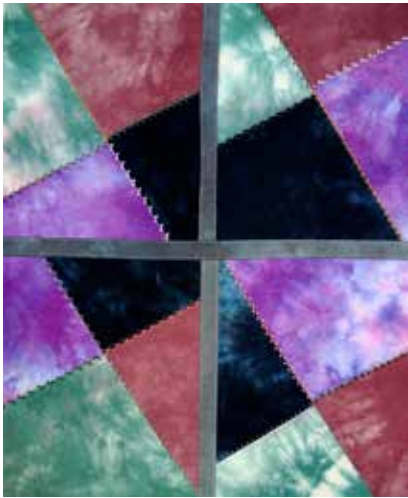

Doll in One

It's all about techniques and this class covers it all, in one little doll quilt.

You'll learn the crazy cutting techniques, how to use your decorative stitches to do the quilting, the critical 3-point trimming, the full joining process and a machine binding with my "pretty corners".

By the end of class you will have a full understanding of my very popular quilt-as-you-go techniques and a cute little doll quilt.

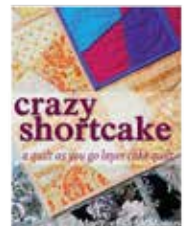

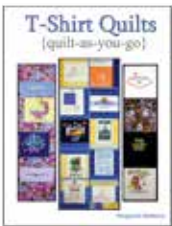

Then I'll demonstrate all the ways the techniques can be adapted to make larger crazy quilts, finish UFO's, make modern style quilts and make T-shirt quilts.

It's a class, mini-trunk show, lecture and inspirational session all in one day!

Small class size means personalized attention for everyone.

QUILT AS YOU GO

Simply Done

My classes appeal to beginner and experienced quilters because when the class is over my students have a FINISHED quilt!

My Trunk Show is *Quilt As You Go—A Progression of Techniques*. I show quilts from my five books plus a few unpublished quilts. As I show each quilt I take you through the process of making it. From fat-quarter crazy quilts, modern quilts, T-shirt quilts, finishing UFO's and making gorgeous layer cake quilts. At the end of the show you'll know how each quilt was made. Quilt As You Go Trunk Show \$350

My books are popular and well reviewed. My first book *Crazy Shortcut Quilts* has been a best seller for ten years.

I travel in my RV in the winter which lowers travel expenses significantly. I calculate mileage from the closest town possible and do not require airfare, hotel or per diem if I have my RV with me.
